

Section III - Assessment of Career Technical Education Programs

Section 123(b) of Perkins IV requires states to conduct annual evaluations of the progress and efforts grant recipients are making toward achieving the core indicator performance levels established for the state's CTE programs. California LEAs provide data to the CDE through the 101-E1 report in the fall and 101-E2 report in the spring, and these data are used to determine the core indicators.

This section identifies the LEA's actual performance on each of the Core Indicators of performance and indicates if the LEA has met the state-established performance targets.

Congratulations, no action is necessary on this page. Paramount Unified (132 - Adult/ROCP) has met or exceeded the required target in each of the core indicators of performance and is determined to be a Compliant Agency

N/A may indicate that the LEA:

- Failed to report the required data for that indicator
- Is one of the State Special Schools or California Education Authority
- Did not receive Perkins funds in the prior year and was not required to report data

If 5S1 is the only indicator showing an N/A, the LEA failed to submit the required CDE-101 E2 report
