

Bond Project Financial Update

Two pages

These pages describe the financial activities with:

- estimated budgets assigned to current projects in design or construction
- summary of expenditures to date
- projected issuance of Measure AA Bond schedule
- potential funding sources

Phasing Plan

Two pages

The schematic shows the Paramount High School and West Campus phases of work to be completed over the next few years. The second page depicts a rendering of the new library – a joint use opportunity with the City of Paramount.

Middle Grade Gymnasiums

Two pages

The first page rendering is a mini-gymnasium at Zamboni School.

The second page rendering is a mini-gymnasium at Alondra School which shows a unique blue tile entrance that captures continuity from the existing school halls.

Both gyms will have dressing room areas boys and girls (500 lockers in each), restrooms and teacher offices. The gym will include one full court, which can be shared as two half courts and a small set of bleachers will be housed on one side of the court.

Elementary School Expansion

One page

At the top of this page the rendering shows a side view of this 14 classroom two-story expansion with a library/media center.

The yellow classrooms are a top down view of each floor showing stairwells, restrooms and storage areas.
