Budgetary Challenges

• As a result of modest revenue increases since the release of the January Budget, the May Revision proposes an increase in discretionary one-time funding of just under \$750 million

	January Budget	May Revision
Per-ADA	\$48	\$170
Total	\$287 million	\$1.01 billion

- But, the Governor proposes to hold <u>all</u> of the funds until May 2019!
- Funds can be used for any one-time expenditure as determined by a local governing board
- One-time apportionments will offset LEAs' outstanding mandate reimbursement claims on a dollar-for-dollar basis
 - We continue to believe that these funds should not count toward mandate reimbursement
