**Study Session Meeting of Board of Education - Conducted Virtually - 6:00 p.m.**

The agenda for each Board of Education meeting is posted 72 hours in advance of each regular meeting and 24 hours before a special meeting. Closed Session may be conducted in accordance with applicable sections of California law.

On March 12, 2020, the Governor issued an Executive Order N-25-20 suspending parts of the Brown Act that included the following:

All requirements in... the Brown Act expressly or impliedly requiring the physical presence of members, the clerk or other personnel of the body, or of the public as a condition of participation in or quorum for a public meeting are hereby waived." This means that Board Members may attend meetings remotely (i.e., by telephone or teleconference). Further, Board Meetings can proceed even if a quorum of the Board - or the entire Board - is participating remotely. This change also means that posting notices at the remote location and public access to the remote location are suspended, as well.

In compliance with the American with Disabilities Act, those requiring special assistance, to access written documents being discussed at the Board meeting, or to otherwise participate at Board meetings, please contact the Superintendent's Office at 562-602-6011 by 12:00 p.m., Monday, May 17, 2021 to enable the District to make reasonable arrangements.

**Public Comments at Board Meetings:**

The Study Session agenda shall provide members of the public the opportunity to address the Board regarding agenda items only. The Regular meeting agenda provides members of the public an opportunity to testify at regular meetings on matters which are not on the agenda but which are within the subject matter jurisdiction of the Board.

In lieu of members of the public being physically present to address the Board, public comments on agenda items only may be submitted by 12:00 p.m., Monday, May 17, 2021 by using one of the following links:
