COVID-19 Testing Program- Students

- 1100+ students are tested each week
 - Testing is done during school hours
 - PCR testing is administered by SHOTs
 - Results are available between 24-36 hours of test collection
 - Parents can opt-in and out of testing at anytime
- Results are sent electronically to parents, District Nurses and HR
 - Any positive results are noted, contact tracing begins, and quarantining procedures are implemented

COVID-19 Testing Program- Staff

- Approximately 509 staff are mandatorily being tested each week in accordance with State Guidelines
 - Testing is done in AM and PM on Tuesdays at each site with make-up day on Wed
 - PCR testing is administered by SHOTs
 - Results are available between 24-36 hours of test collection
 - Staff who are vaccinated and have submitted their vaccination cards to HR are not required to test
 - Employees also have the option to go to any preferred medical provider for alternative times or other clinical test options (Per LADPH, home tests are not allowed at this time)
- Results are sent electronically to HR
 - Any positive results are noted, contact tracing begins, and quarantining procedures are implemented

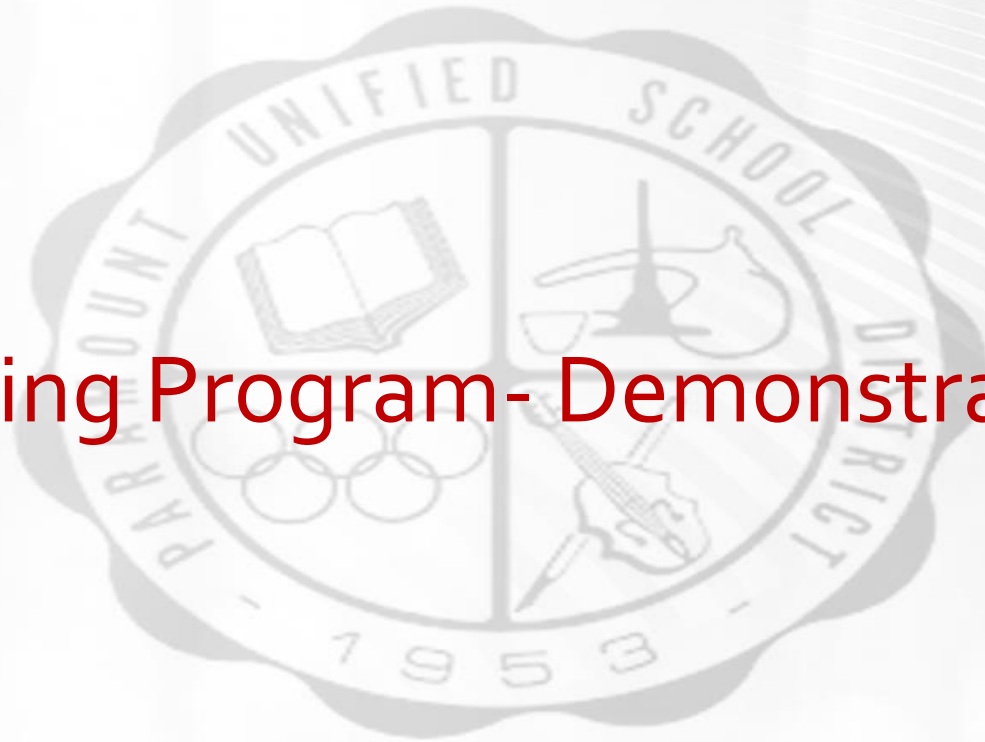

Additional Site Support

- District office staff supports school sites every Wednesday for student Covid-19 testing
- Medical Assistants from our own CTE Pathway support each site on Tuesdays for staff testing
 - Medical Assistants received specialized training before assisting sites
 - CTE coursework credit is given for the work being performed

COVID-19 Testing Program- Demonstration

Additional Site Support – PubSEG & COVID Clinic

- Partnerships with PubSEG & COVID Clinic to support our COVID prevention efforts
 - PUBSEG will provide 3 full time staff who will work 7 days a week performing contact tracing needs.
 - COVID Clinic will provide more Covid testing opportunities for any staff wishing to be tested weekly

District Outreach

- COVID-19 Vaccination Program
 - March 2021 – the District worked at length to engage partners including Compton Community College, Local Clinics, and Whittier Hospital for the just released vaccines for District employees
 - After extensive outreach to all employees, 768 staff redeemed vaccination codes and received at least their first dose.
 - Between the District's efforts and our employees' initiative we have approximately 1,558 employees vaccinated.

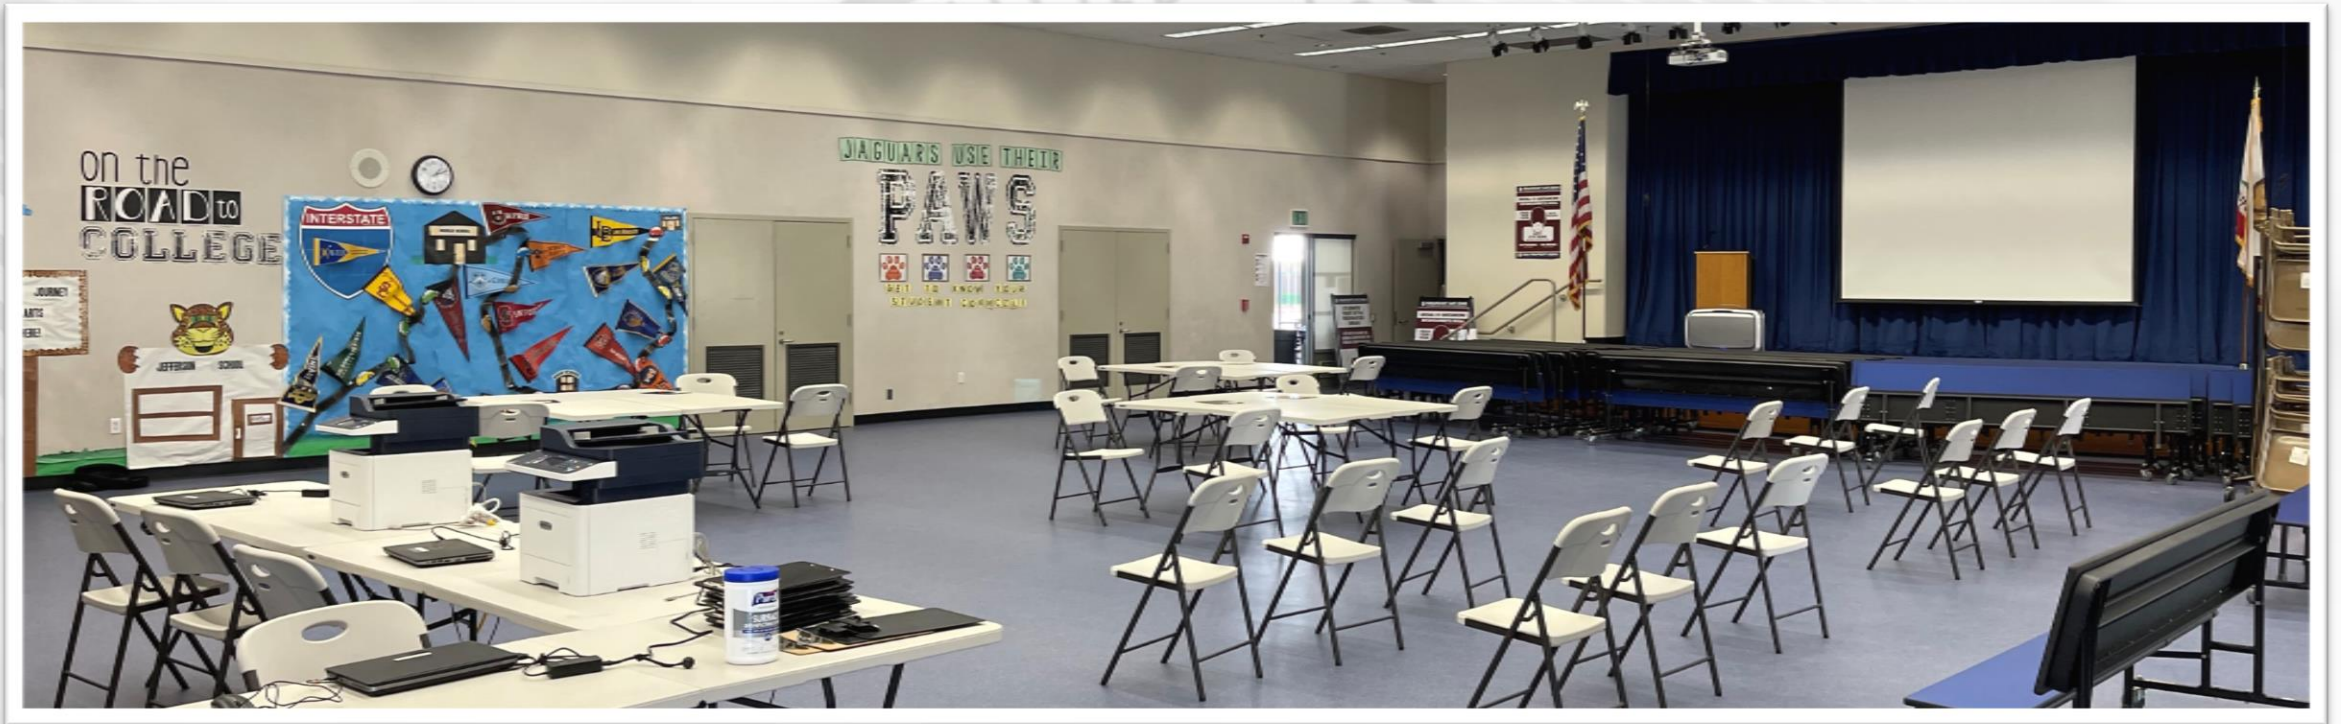

District Outreach (cont'd)

- PUSD's COVID-19 Vaccination Clinic
 - June 2021 - A partnership between PUSD, LA County Health, and Paramount Pharmacy was developed to deliver vaccinations to staff, students and the Paramount Community
 - The Clinic is located at Jefferson School inside their MPR and is open most Fridays from 4-8pm
 - The Clinic is supported by PUSD staff, Paramount Pharmacist, nursing students, and volunteers
 - 1,589 people have been vaccinated so far

COVID Compliance Team

- The team was reconvened to update the District COVID plan.
- Areas of the plan were updated to follow current CDPH/LADPH guidelines
- The compliance team reviewed the documents that were presented at the beginning of the year and updated them to assure consistency of practices
- Magnets were distributed to all families to serve as a reminder of keeping students' home if they are experiencing COVID-like symptoms
- The value of vaccines was included into the plan
- A statement was added to the plan that acknowledges that the *“document serves as a basis, site variations may exist related to staffing, facilities and related needs”*.

HVAC Systems

- Sites have HEPA air filters placed inside all rooms and offices in addition to the regular HVAC systems
- All sites in the district have MERV-13 or MERV-16 filtration on their HVAC systems
 - Beginning this month sites that currently utilize MERV-13 and being upgraded to MERV-16

Personal Protective Equipment (PPE)

- All classrooms and offices have PPE provided for staff and students
- Site supplies are regularly refreshed, and new equipment can be requested by any site with same day deliver in most cases
- Specialized PPE for programs such as Speech, Mod/Severe SDC, and for COVID testing is supplied as needed

Facility and Student Nutrition Adjustments

- Health rooms
- Signage throughout campus
- Outdoor eating
- Grab and go breakfast
