

How to Register, For Students

Welcome to School Loop! School Loop is a web site designed to help you keep track of your classes and assignments, communicate with your teachers and classmates, and participate in your school community. It is important to register in School Loop because you can only access your class information if you are registered. When you register, you can:

- ◆ Access your homepage with all of your class information
- ◆ Receive a daily email about your classes, email your teachers directly
- ◆ Turn work in online
- ◆ Participate in discussions
- ◆ Store your documents and links in a personal digital locker, accessible from any computer at any time.

How to Register

*Before you begin, make sure you have your student ID number.

1. Go to your school's School Loop web site: <http://bvhs-pusd-ca.schoolloop.com/>

2. Click the **Register Now** button.

3. Select **Student Registration**.

4. Enter in all of your information.
Choose a login name and password that you can remember and NEVER share your password with others.

5. Click the blue **Register** button on the bottom left.

6. Read the User Agreement. If you accept the agreement, Click the blue **Accept Agreement** button and you will be able to access School Loop. Congratulations! You are now part of the loop!

Loop Mail: You can send messages to everyone in the school and everybody publishes in their own names.

In the **Drop Box Archive** you have a date stamped record of everything you turn in to your teachers.

Your **Digital Locker** is bottomless. You save files and access them from anywhere.

Publish News to a group that you belong to.

Manage your Account.

Groups are created by teachers, but you can join.

Check your **grades** and see if you are improving in a class.
