

Network Equipment UPS

RFP #1-25-26 ADDENDUM I

Date: 07/11/2025

Purpose of this Addendum

This Addendum is issued to:

1. Officially incorporate the District's published RFI Q&A Summary document into the RFP record.
2. Correct the quantity listed for one line item in the RFP.
3. Provide information on where to access current RFP documents and updates.

1. RFI Q&A Summary Document

The District has posted responses to all vendor inquiries received regarding RFP #1-25-26. This document is titled:

RFP #1-25-26 – RFI Q&A Summary

It is available on the District's Purchasing Department webpage at the following link:

[Paramount USD Purchasing Department RFP Page](#)

Direct link to the Q&A document:

All vendors are advised to review this document as it contains clarifications and information relevant to preparing proposals.

2. Correction to License Quantity

The District hereby corrects the quantity specified in the RFP for the following line item:

- Original Line Item:

DIST-UPS LIC – SFTWES3505Y-DIGI – EcoStruxure IT Expert Subscription

License for 350 nodes: 5 Years

Quantity: 253

- Corrected Quantity:
Quantity: 1 license (covers up to 350 devices)

All vendors shall use the corrected quantity for proposal pricing and submission.

3. Optional Equivalent Licensing

The District understands the manufacturer may discontinue the originally specified license part number (SFTWES3505Y-DIGI) after October 1, 2025. Vendors may propose the manufacturer's replacement SKUs for EcoStruxure IT Expert as alternates in their proposals. Proposed alternatives must clearly identify differences in features, licensing, and costs.

4. No Other Changes

Except as modified by this Addendum, all other terms, conditions, and requirements of RFP #1-25-26 remain unchanged.
