School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Los Cerritos School is a place where students, staff, parents and community work together to hold children to, and assist them in, attaining high standards. Los Cerritos is a TK-5 school on a traditional schedule. The campus is located in the northwest section of the Paramount Unified School District. The total enrollment at this Transitional Kindergarten through fifth grade school is currently 522 students. Our student population is mainly of 97.3% Hispanic origin with students from many socio-economic and cultural backgrounds.

Our goal as educators is to ensure that every child becomes highly literate, high performing, and meets or exceeds the Common Core State Standards and to prepare them for College Readiness. For many of our students who are English Language Learners, our expectation is that they will also meet the standards for English Language Development.

The work of our school is supported by energetic and dedicated staffs who truly believe that all students can achieve. Our teachers are true professionals and deliver well-planned lessons. We are supported by the families of our students who are partners with us in the education of their children, and by our business and community partners who believe in our work.

School Description and Mission Statement (School Year 2019—20)

The mission of the Los Cerritos School Community is to honor diversity while developing personal integrity and respect for others. We are committed to the intellectual, psychological, social and physical development of each child in a student-centered, academically enriched environment. We believe in providing all students with a positive, supportive, student-centered learning environment. Students will be empowered to express themselves appropriately.

We also believe in holding high expectations of our students to achieve to their highest potential, while still acknowledging the individual differences of each student. All students should exhibit responsibility by making positive choices, which allow students to become successful citizens in domestic and global societies. Los Cerritos will provide an interesting, safe, joyful and positive experience that will encourage the desire for life-long learning.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	37%	42%	41%	39%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	33%	38%	30%	28%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

School communication is well established and ongoing through our opening bulletin, Parent Teacher Association (PTA) meetings, Connect Ed calls, special bulletins from the office, and regular communication from classroom teachers. Parents in our community are very supportive of the instructional program, disciplinary procedures, and the efforts of our dedicated staff. There is strong community and parent involvement, as reflected through the number of volunteers, involvement in parent-based programs and committees and the attendance at parent-teacher conferences, Back-to-School Night, and Open House. Parents may also participate on the School Site Council, English Language Acquisition Committee (ELAC), and the Parent Teacher Association (PTA).

School Safety Plan (School Year 2019—20)

Providing our staff and students a clean, orderly and safe environment is a District-wide priority. Faculty and staff are provided training on emergency preparedness throughout the school year, and emergency drills are held a minimum of once a month.

For the safety of students and staff, the front and back gates are locked at 8:15 a.m. All visitors must enter through the office and check in with our office staff to receive a visitor's pass from the Raptor System. Emergency drills are held once a month along with a District-wide earthquake drill so students become familiar with appropriate safety routes and learn to exhibit acceptable behavior in case of emergency. Drills consist of fire, disaster, Lockout, and lockdown.

Paramount Schools provide a safe and clean learning environment. Full-time custodians are assigned to each site with responsibilities of daily cleaning, vacuuming and minor maintenance of classrooms and support facilities. There is a custodial supervisor who performs weekly inspections on restrooms, classrooms and eating areas. In addition, as a year-round school district, a deep cleaning crew visits the school every nine months to address heavy cleaning.

The District provides a security patrol 24 hours per day, at all TK-5 schools. Some K-8 and all high schools have full-time security posted at their schools. In addition, all high schools have staff assistants to provide for crowd control and disciplinary issues.

A Comprehensive School Safety Plan was developed by the Safe School Committee in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include the following: monthly facility safety inspections; child abuse reporting procedures; teacher notification of dangerous pupils procedures; disaster response procedures; procedures for safe entering to, and exiting from, school; sexual harassment policy; suspension and expulsion policies; dress code; and discipline policies.

The Safety Plan was last updated, reviewed and discussed on March 15, 2019 at Los Cerritos parent committees, School Site Council and ELAC. The plan was also reviewed and discussed with all school site personnel. All necessary procedures for emergency evacuation are included in the plan, for example, earthquake, fire, and different types of lockdowns.
