School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	45%	45%	41%	39%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	28%	25%	30%	28%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Paramount Park Middle School works hard to ensure that parents are involved in the education of their children. Each year, the school surveys parents regarding the effectiveness of the school's programs and uses the responses to improve the educational programs. Parents may be actively involved in the school through the Parent Teacher Association (PTA), the School Site Council (SSC), or the English Language Advisory Committee (ELAC). The School Site Council and English Language Advisory Committees are parent advisory groups that assist the administrators and staff with the educational programs at the school. Parents are also invited to formal parent teacher conferences and are encouraged to communicate with teachers and administrators to support their children. Parents are welcomed at the school, and are encouraged to come in and observe or address any concerns they might have directly by meeting with any staff members. Counselors host monthly meetings which address various topics related to parenting skills such as:

- Use of student planners and Schoology
- Preparing for Parent Conferences
- Calculating GPA & Goal Setting
- Mental Health
- Growth Mindset
- College & Career Readiness
- Social Media Awareness
- Test-Taking Strategies

If you have any questions concerning parent involvement opportunities, please contact the school to find out about upcoming meetings at (562)602-8052.

School Safety Plan (School Year 2019—20)

Paramount Park Middle School provides a clean, orderly, and safe environment for all students and staff. Through Safe and Civil Schools, all stakeholders promote safety and civility. The Safety Committee reviews the Comprehensive Safety Plan at each of their monthly meetings making modifications, additions or deletions, as needed. The staff reviewed the plan in detail on October 4, 2018 and reviews of the plan are completed as updates are made throughout the year. School Site Council discussed and approved the Comprehensive Safety Plan on March 14, 2019 in order to comply with Senate Bill 187 of 1997 and is completed annually. The Comprehensive Safety Plan binder is maintained for public inspection in the main office.

Included in the Comprehensive Safety Plan is:

- Mandated cross-reporting, SB187 overview
- Child abuse reporting
- Orderly school environment procedures
- Policy statements
- Employee discipline measures
- Dress code
- Parent liability
- Sexual harassment
- Pupil discipline
- Campus access

The school Disaster Preparedness Handbook outlines the procedures for emergencies that may arise such as earthquake, fire, intruder on/near campus, or bomb threat. All students and staff are provided with emergency preparedness training throughout the school year. Quarterly fire drills and lockdown drills, and earthquake drills each semester are executed in order to be prepared for these situations, if they were to arise.
