## School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### About Our School

Howard Tanner Elementary is in the city of Paramount and services the local community for students in Transitional Kindergarten through 5th grade. There is also a Pre-school on campus, which is run through the Early Childhood Education Department. It is all part of the Paramount Unified School District and adjacent to the cities of Compton and Long Beach. We have 20 general education teachers, 1 RSP teacher, 1 intervention teacher, 2 instructional coaches (1 ELA and 1 Math) and 1 Teacher on special assignment who works specifically with at risk students, chronic attendance and absenteeism. These teachers are all fully credentialed and trained to teach elementary students. Our school services approximately 520 students. Our student population is 88% Hispanic/Latino, 8% African American, and 4% other populations. We are a Title 1 school and currently all students are receiving free lunch through a federal and state funded lunch program.

### School Description and Mission Statement (School Year 2019—20)

We share the common belief that all children can learn and are capable of being successful. We maintain high expectations for student achievement and behavior, while providing them with the tools to excel in a global society. We strive to provide all students with a positive, safe and caring environment, with an emphasis on academics, and the inspiration to be a lifelong learner. Our primary goal is to continue to improve student achievement while nurturing the whole child.

All staff members work to provide high quality instruction, small group interventions inside their individual classrooms, and a safe classroom environment conducive to learning. In addition, we focus on establishing meaningful relationships with staff, students, and parents. We have a fully implemented Safe and Civil Schools "CHAMPS Program," that teaches structured routines and procedures for classroom behavior, as well as implementation of behavior expectations throughout all common areas, on the school's campus. All students have access to counseling, and behavior management support. Our goal is to ensure that all students at Howard Tanner have the opportunities and instruction needed to both fit their learning and developmental needs and allow them to be successful with the new common core state standards and grade level curriculum.

We at Howard Tanner pride ourselves on being a productive, professional learning community. Teachers engage in bi-weekly grade level collaboration meetings to refine instructional practices and plan student learning outcomes. Teachers participate in various on-going staff development learning sessions which focus on instructional priorities, schoolwide collaboration, district initiatives, and technology training. Teachers work together to create common formative assessments and lesson plans that improve achievement and student success.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students  
Grades Three through Eight and Grade Eleven  
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	32%	38%	41%	39%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	25%	33%	30%	28%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019—20)

Parents are an active part of their child's education and are welcome to meet with staff members to improve the educational experience for their students at any time. Each year, the school surveys parents regarding the effectiveness of our school programs and uses the parent responses to improve the educational program.

Parents are actively involved in the school through the Parent Teacher Association (PTA), School Site Council (SSC) and the English Language Advisory Committee (ELAC). The School Site Council and English Language Advisory Committees are parent groups that assist the principal and staff with making important decisions that impact the educational programs of the school. Parents attend weekly morning assemblies, trimester Award Assemblies, and night time family events that honor student achievement and bring home and school together. Parents are welcome to volunteer in their child's classroom, to assist with small groups of students, and/or visit our Parent Resource Center. In addition, PTA meetings are regularly held in our Parent Resource Center on the 3rd Wednesday of each month. Our PTA helps with various school wide events each year that parents can volunteer and participate in. These include but are not limited to our Halloween Trunk-or-Treat, Hispanic Heritage Celebration, Assemblies, Winter Festival, and Anti- Bullying Week.

In addition, various staff members offer parent workshops on how to assist students with homework, prepare for testing, and how to increase math and ELA skills. Parent involvement/education sessions continue to cover a myriad of topics from how to increase student achievement, to motivating a student to learn, and what a child needs to go to college. As an additional opportunity to foster communication between home and school, the principal holds trimester "Coffees with the Principal" to inform parents of campus events, show parents resources available and listen to the questions and concerns of the community. A trimester newsletter with helpful hints and topics parents should know about, is mailed out bi-monthly, and parents receive Ed Connect messages from the principal on their phone, text or by email on a regular basis.

## School Safety Plan (School Year 2019—20)

Providing our staff and students with a safe, orderly, and clean environment is a priority throughout the district. The School Safety Plan is updated on an annual basis. Included in the comprehensive plan are the SB-187 overview, Child Abuse Reporting, Orderly School Environment Procedures, Policy Statements, Pupil Discipline, Parents Rights and Responsibilities, the Drug, Tobacco and Alcohol Policy, Dress Code, and the Disaster Plan.

Our School's Safety Committee meets a minimum of 4x per year to discuss safety concerns. Each member of the safety committee is responsible for an area of campus that they monitor for concerns. A new School Safety Plan is updated, revised, and adopted each year.
