B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

Parents are encouraged to be a part of their child's education and are welcome to meet with staff members to improve the learning experiences for their students. Each year, the school surveys parents regarding the effectiveness of school programs and uses the parent responses to improve the educational program.

Parents may be actively involved in the school through the Parent Teacher Association (PTA), by being elected as a School Site Council (SSC) member and attending the School Site Council meetings or being elected to the English Advisory Committee (ELAC). The School Site Council and English Advisory Committees are parent groups that advise the principal and staff on improving the educational programs at the school. Parents are also encouraged to volunteer by helping to support student learning and PTA activities.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and

- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions	0.2	1.8	N/A
Expulsions	0	0	N/A

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)

One of our top priorities is to provide our staff and students with a clean, orderly, and safe environment. Faculty, staff, and students are trained on emergency preparedness throughout the school year, including safety drills and lock down/lock out drills. An annual District-wide earthquake preparedness drill is held to ensure that students and staff are familiar with appropriate safety routes and expectations. The Safe and Civil Committee meets regularly to review any safety concerns at the site. The school implements the “Safe and Civil Schools” program which stresses the importance of positive behavior to ensure a safe and orderly learning environment.

For the safety of students and staff, all visitors must enter through the main office before being allowed on campus. Each visitor must show the proper identification to receive a visitor's pass to enter the campus. In addition, all gates are locked and secured by the campus security officer each morning when school begins. The campus security office patrols the school throughout the day to maintain everyone's safety.

The Comprehensive School Safety Plan is developed and approved annually by the School Site Council in September in order to comply with Senate Bill 187 of 1997. The comprehensive safety plan is reviewed with students during Safe and Civil assemblies and with staff at on-going staff meetings.
