B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

At Lincoln, our parents are encouraged to become involved in their child's education. Our first annual school event for parents is Back to School Night and our Title I Parent Meeting. All parents are invited to attend. Parents are also invited to meet with our teachers during Parent Conference Week, and throughout the school year, to support their child's learning experiences. In the spring, parents are invited to attend our annual Open House to view classroom projects and to take pride in their child's learning and academic accomplishments.

Parents may become actively involved in our school through a variety of opportunities. By joining our Parent Teacher Association (PTA) parents may serve as members or elected officers. Our Lincoln PTA hosts a multitude of activities during the school year that support parental involvement. Our annual Harvest Festival in the fall, the sales of school spirit t-shirts and sweatshirts, our Lincoln Lion Store, where students can spend their well-earned school incentive "Lincoln Dollars", and our annual Family Read Nights and Math Nights hosted in our school cafeteria are all examples of the strong parental involvement maintained at Lincoln School. Our Lincoln parents also support our teachers by volunteering daily in our Parent Center and in their child's classroom.

Parents may also become involved in our school by being nominated and elected as a member of our School Site Council (SSC) and attending our School Site Council meetings, or by attending our English Language Advisory Committee (ELAC) meetings. Parents can serve on ELAC as either a member or as an elected position. A representative from Lincoln attends the (DELAC) District

English Language Advisory Committee meetings. Both SSC and ELAC are parent advisory groups that assist the principal and school staff in reviewing and approving educational programs and in maintaining compliance of Title I and categorically funded school programs.

Several times each year, Lincoln School hosts Family Reading Nights and Math/STEM Nights featuring our very own Lincoln teachers and staff as facilitators. Our Lincoln families are encouraged to attend these evenings to support their child's growth and development in the areas of literacy, English Language development, mathematics, and science. Incentives such as books, pencils, and erasers are distributed to families who attend.

Lincoln families are also invited to attend our annual Winter Holiday Program, monthly PRIDE recognition breakfast, trimester Coffee with the Principal, family lunch on the lawn, and end of year awards assemblies. Parents are informed of school events through our school website, our school newsletter, school flyers, and through Connect-Ed phone messages sent by the principal to Lincoln families.

- High school dropout rates; and
- High school graduation rates

Suspensions	0.14	1.8	N/A
Expulsions	0	0	N/A

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)

Our Lincoln School Safety Plan is reviewed and approved each year by our elected School Site Council. The School Safety Plan thoroughly outlines procedures designed to meet the needs of various school emergencies. Included in our School Safety Plan is an updated school map which identifies all classrooms by grade level and teacher, locations of major utilities and shut off valves, as well as entrance and exit gates.

At the beginning of each school year, staff members receive an updated Emergency Procedure Handbook, along with a red emergency bag of supplies and materials that is restocked each school

year in the event of an emergency. The Emergency Procedure Handbook is revised each year by the School Safety Committee. It is designed to provide the necessary information for school wide procedures which would effectively and safely meet any emergency. Key elements of the handbook include a description of Search and Rescue protocol, lists and duties of school emergency teams, and procedures that ensure the safety of both children and adults. Regularly scheduled emergency and disaster drills for earthquake and fire preparedness are conducted throughout the school year.
