## **Comprehensive School Safety Plan Purpose**

Effective January 1, 2019, Assembly Bill 1747 (Rodriguez), School Safety Plans, became law. This bill requires that during the writing and development of the comprehensive school safety plan (CSSP), the school site council or safety committee consult with a fire department and other first responder entities in addition to currently required entities. It requires the CSSP and any updates made to the plan to be shared with the law enforcement agency, the fire department, and the other first responder entities.

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334, approved in 1999, perpetuated SB187.

The Comprehensive School Safety Plan contains the following elements:

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan is reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at the school's main office.

## **Safety Plan Vision**

Alondra Middle School uses a comprehensive approach to support our student's physical, mental, and emotional well-being and create a safe welcoming school environment in which all students feel safe to learn. Alondra's CSSP focuses on the use of intervention for students with attendance or discipline issues and looks at data from a variety of resources to gain feedback and a better understanding of how our students feel and how staff can support them on campus. Alondra's CSSP also focuses on logistical details for a safe school environment including ingress, egress, disaster plans, and more.

The Governing Board recognizes that students and staff have the right to a safe and secure campus where they are free from physical and psychological harm. The Board is fully committed to maximizing school safety and to creating a positive learning environment that includes strategies for violence prevention and high expectations for student conduct, responsible behavior, and respect for others. (BP 0450).

## Components of the Comprehensive School Safety Plan (EC 32281)

### Alondra Middle School Safety Committee

#### Assessment of School Safety

A review of Alondra Middle School indicates that the students, parents, and staff of Alondra are safe on campus, off campus at school-sponsored events, and traveling directly to and from school. To ensure this, Alondra has adopted policies and procedures pertaining to campus environment and security, investment in behavioral management and intervention, encouraged participation of community members, and the improvement and maintenance of the physical school environment.

Alondra performs regular practice emergency drills which include: fire, earthquake, lockdown, lockout, and evacuation drills. Alondra participates in the annual "Great California Shake Out" and is constantly seeking feedback to improve our earthquake and emergency preparedness. Alondra works closely with the PUSD Safety and Security Department to strengthen our disaster preparedness by providing quality trainings, direct communication, scenario debriefing, and maintaining/updating supplies when needed.

Visitors are required to sign-in/out in the school office and Alondra utilizes the RAPTOR visitor check-in system. Appropriate signs are posted following all necessary protocols and guidelines.

Emergency exit routes are posted in all the rooms.

Our school creates a safe school environment. The school implements programs and practices to address bullying that are aligned to Board Policy 5131.2 Bullying (Revised September 11, 2024)

Employees are required to complete mandated training annually. Training modules include:

California Mandated Reporter: Child Abuse and Neglect

Students experiencing Homelessness: Awareness and Understanding

Workplace Violence: Awareness and Prevention

Youth Suicide: Awareness, Prevention and Postvention

Bullying and CyberBullying: Recognition and Response

Diversity for Employees

Opioid Overdose Response Awareness

Sexual Harassment and Discrimination

Pesticide Use: For specific information, please see Board Administrative Regulation 3514.2 Integrated Pest Management.

#### Strategies and Programs to Provide and Maintain a High Level of Safety (EC 32281(a)1, items A-J)

Other means of correction are used to address discipline infractions prior to suspension for lower-level Education Code violations. As a preventative measure, Alondra utilizes various practices from the Safe & Civil Schools program, which focuses on setting routines and procedures, explicitly teaching academic/behavioral expectations, and providing positive praise and feedback. Additionally, Alondra employs strategies from Capturing Kids' Hearts such as developing social contracts, sharing of good things, lesson launches, and restorative practices to ensure a comprehensive approach to discipline and behavior interventions.

Paramount Unified School District (PUSD) utilizes Synergy reporting to track our student attendance and monitor concerns with chronic absenteeism. There is a process for sites to follow when there is a concern regarding absenteeism and truancy. All schools have a School Attendance Review Team (SART) to collaborate and consult on how to provide intervention to the students and families with identified attendance issues. The District also holds Student Attendance Review Board (SARB) hearings for cases that are not resolved at the site level and need further intervention. The most current 2024 data is indicated below.

Attendance and Suspension Data for Alondra Middle School:

Students in the SARB Process: 2023-2024 school year 4  
2022-2023 school year 3

Percentage of Chronically Absent Students: 2023-2024 school year 23%  
2022-2023 school year 13%

Suspension Percentage: 2023-2024 school year 6%  
2022-2023 school year 2.4%

PUSD takes a holistic approach to student mental health and support throughout our TK-12 programs. Our school employs both a counselor and a social worker to assist students in need of intervention and crisis support.

A variety of interventions and other means of correction are used as a part of a progressive discipline model including reflective assignments, peer mediation, restorative practices, student check-in check-out, individualized incentive programs, school-based counseling, and more.

**(A) Child Abuse Reporting Procedures (EC 35294.2 [a] [2]; PC 11166)**

Mandated reporters include, but are not limited to, teachers; instructional aides; teacher's aides or assistants; classified employees; certificated pupil personnel employees; administrative officers or supervisors of child attendance; athletic coaches, administrators and directors; licensees, administrators, and employees of a licensed day care facility; district police or security officers; licensed nurses or health care providers; and administrators, presenters, and counselors of a child abuse prevention program. (Penal Code 11165.7)

#### Reportable Offenses

A mandated reporter shall make a report using the procedures provided below whenever, acting in a professional capacity or within the scope of employment, the mandated reporter has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. (Penal Code 11166)

“Reasonable suspicion” means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on the person's training and experience, to suspect child abuse or neglect. However, “reasonable suspicion” does not require certainty that child abuse or neglect has occurred, nor does it require a specific medical indication of child abuse or neglect. (Penal Code 11166)

Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage, based on evidence of severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to the appropriate agency. (Penal Code 11165.9, 11166.05, 11167)

Any district employee who reasonably believes to have observed the commission of a murder, rape, or lewd or lascivious act by use of force, violence, duress, menace, or fear of immediate and unlawful bodily injury against a victim who is a child under age 14 shall notify a peace officer. (Penal Code 152.3, 288)

#### Responsibility for Reporting

The reporting duties of mandated reporters are individual and cannot be delegated to another person. (Penal Code 11166)

When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report. (Penal Code 11166)

No supervisor or administrator shall impede or inhibit a mandated reporter from making a report. (Penal Code 11166)

Any person not identified as a mandated reporter who has knowledge of or observes a child whom the person knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to the appropriate agency. (Penal Code 11166)

#### Reporting Procedures

##### 1. Initial Telephone Report

Immediately or as soon as practicable after knowing or observing suspected child abuse or neglect, a mandated reporter shall make an initial report by telephone to the Department of Child and Family Services (DCFS) (800) 540-4000.

When the initial telephone report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

##### 2. Written Report

Within 36 hours of knowing or observing the information concerning the incident, the mandated reporter shall prepare and electronically transmit a written follow-up report to DCFS: <https://mandreptla.org/cars.web/> (BCI 8572). (Penal Code 11166, 11168)

Reports of suspected child abuse or neglect shall include, if known: (Penal Code 11167)

- a. The name, business address, and telephone number of the person making the report and the capacity that makes the person a mandated reporter.
- b. The child's name and address, present location, and, where applicable, school, grade, and class
- c. The names, addresses, and telephone numbers of the child's parents/guardians
- d. The name, address, telephone number, and other relevant personal information about the person(s) who might have abused or

neglected the child.

e. The information that gave rise to the reasonable suspicion of child abuse or neglect and the source(s) of that information  
The mandated reporter shall make a report even if some of this information is not known or is uncertain to the mandated reporter.  
(Penal Code 11167)

The mandated reporter may give to an investigator from an agency investigating the case, including a licensing agency, any information relevant to an incident of child abuse or neglect or to a report made for serious emotional damage pursuant to Penal Code 11166.05. (Penal Code 11167)

### 3. Internal Reporting

The mandated reporter shall not be required to disclose the mandated reporter's identity to a supervisor, the principal, or the Superintendent or designee. (Penal Code 11166)

However, employees reporting child abuse or neglect to an appropriate agency must notify the principal as soon as possible after the initial telephone report to the appropriate agency.

The principal so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law, Board policy, and administrative regulation. At the mandated reporter's request, the principal may assist in completing and filing the necessary forms.

Reporting the information to an employer, supervisor, principal, school counselor, co-worker, or other person shall not be a substitute for making a mandated report to the appropriate agency. (Penal Code 11166)

### Training

Within the first six weeks of each school year, or within the first six weeks of employment if hired during the school year, the Superintendent or designee provides training on mandated reporting requirements to district employees and persons working on their behalf who are mandated reporters. (Education Code 44691; Penal Code 11165.7)

The training includes identification and reporting of child abuse and neglect. In addition, the training shall include information that failure to report an incident of known or reasonably suspected child abuse or neglect as required by law is a misdemeanor punishable by imprisonment and/or a fine as specified. (Education Code 44691; Penal Code 11165.7)

The Superintendent or designee obtains and retains proof of each mandated reporter's completion of the training. (Education Code 44691)

### Victim Interviews by Social Services

Whenever DCFS or another government agency is investigating suspected child abuse or neglect that occurred within the child's home or out-of-home care facility, the student may be interviewed by an agency representative during school hours, on school premises. The Superintendent or designee shall give the student the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child. (Penal Code 11174.3)

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform the person of the following requirements prior to the interview: (Penal Code 11174.3)

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable the child to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

#### Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or designee and/or principal shall not notify the parent/guardian, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. It is the responsibility of the peace officer or agent to notify the parent/guardian of the situation. (Education Code 48906)

For additional details, refer to Paramount Unified School District Board Policy and Administrative Regulations 5141.4 Child Abuse Prevention and Reporting.

#### **Opioid Prevention and Life-Saving Response Procedures**

All administrators in PUSD are required to complete mandated Opioid Overdose Response Awareness training annually. Narcan administration training is provided annually for district nurses, school health office technicians, campus safety officers, and school staff volunteers. Additionally, Alondra's staff participated in Epi-pen and Narcan training which was led by a district registered nurse. In responding to a suspected opioid incident, the responder will check the individual for responsiveness and signs of an opioid overdose, which may include unconsciousness, slow or absent breathing, pinpoint pupils, bluish skin, a limp body, or snoring and gurgling sounds. Utilizing personal protective equipment (PPE) such as gloves and masks, if available. They will then call emergency services. If naloxone (Narcan) is available, the responder will administer it according to the instructions and monitor the individual's breathing and responsiveness. If there is no response after 2-3 minutes, another dose of naloxone can be given. The responder will remain with the individual until help arrives, keeping them safe and as alert as possible. When emergency responders arrive, they will be provided with all relevant information. California Education Code 49414, protects employees or volunteers acting in good faith to provide emergency.

PUSD's Board Policy and Administrative Regulation 5141 addresses Health Care and Emergencies and Board Policy and Administrative Regulation 5141.21 explains protocols for Administering Medication and Monitoring Health Conditions.

# Help Save a Life

## What is the Opioid Epidemic?

Opioids are medications that are used to reduce pain but are at high risk for abuse. Opioids can impact the body's ability to breathe, leading to death. The rise in overdoses can be attributed to illicitly manufactured opioids, particularly fentanyl. Per the Drug Enforcement Administration (DEA): "Brightly colored pills, dubbed 'rainbow fentanyl', is a new trend used by drug cartels to sell highly addictive and potentially deadly fentanyl made to look like candy to children and young people. It has been seized in multiple forms, including pills, powder, and blocks that resemble sidewalk chalk." According to the CDC, 107,622 Americans died of drug overdoses in 2021, with 66% of those deaths related to synthetic opioids like fentanyl.

### (E) Sexual Harassment Policies (EC 212.6 [b])

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who has experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer. Once notified, the principal or compliance officer shall take the steps to investigate and address the allegation, as specified in the accompanying administrative regulation.

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

#### Reporting Process and Complaint Investigation and Resolution

Any student who believes that he/she has been subjected to sexual harassment by another student, an employee, or a third party or who has witnessed sexual harassment is strongly encouraged to report the incident to his/her teacher, the principal, or any other available school employee. Within one school day of receiving such a report, the school employee shall forward the report to the principal or the district's compliance officer identified in AR 1312.3. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or a district compliance officer. The employee shall take these actions, whether or not the alleged victim files a complaint.

When a report or complaint of sexual harassment involves off-campus conduct, the principal shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If he/she determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the principal or compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the district's uniform complaint procedures. Regardless of whether a formal complaint is filed, the principal or compliance officer shall take steps to investigate the allegations and, if sexual harassment is found, shall take prompt action to stop it, prevent recurrence, and address any continuing effects.

In investigating a sexual harassment complaint, evidence of past sexual relationships of the victim shall not be considered, except to the extent that such evidence may relate to the victim's prior relationship with the respondent.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted to the Superintendent or designee who shall determine who will investigate the complaint.

#### Confidentiality

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

#### **Procedures for Preventing Acts of Bullying and Cyber-bullying**

The Governing Board recognizes the harmful effects of bullying on student well-being, student learning, and school attendance and desires to provide a safe school environment that protects students from physical and emotional harm. No individual or group shall, through physical, written, verbal, visual, or other means, harass, sexually harass, threaten, intimidate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel, or retaliate against them for filing a complaint or participating in the complaint resolution process.

Any complaint of bullying shall be investigated and, if determined to be discriminatory, resolved in accordance with law and the District's Uniform Complaint procedures specified in AR 1312.3. (BP 5131.2).

#### Examples of Prohibited Conduct

Bullying is an aggressive behavior that involves a real or perceived imbalance of power between individuals with the intent to cause emotional or physical harm. Bullying can be physical, verbal, or social/relational and may involve a single severe act or repetition or potential repetition of a deliberate act. Bullying includes, but is not limited to, any act described in Education Code 48900(r).

Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images. Cyberbullying also includes breaking into another person's electronic account or assuming that person's online identity to damage that person's reputation.

Examples of the types of conduct that may constitute bullying and are prohibited by the District include, but are not limited to:

1. Physical bullying: An act that inflicts harm upon a person's body or possessions, such as hitting, kicking, pinching, spitting, tripping, pushing, taking or breaking someone's possessions, or making cruel or rude hand gestures
2. Verbal bullying: An act that includes saying or writing hurtful things, such as teasing, name-calling, inappropriate sexual comments, taunting, or threats to cause harm
3. Social/relational bullying: An act that harms a person's reputation or relationships, such as leaving a person out of an activity on purpose, influencing others not to be friends with someone, spreading rumors, or embarrassing someone in public
4. Cyberbullying: An act such as sending demeaning or hateful text messages or emails, spreading rumors by email, posting on social networking sites, or posting or sharing embarrassing photos, videos, web site, or fake profiles

#### Measures to Prevent Bullying

The Superintendent or designee shall implement measures to prevent bullying in District schools, including the following:

1. Ensuring that each school establishes clear rules for student conduct and implements strategies to promote a positive, collaborative school climate
2. Providing information to students, through student handbooks, district and school web sites, and other age-appropriate means, about district and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for engaging in bullying
3. Encouraging students to notify school staff when they are being bullied or when they suspect that another student is being bullied, and providing means by which students may report threats or incidents confidentially and anonymously
4. Conducting an assessment of bullying incidents at each school and, if necessary, increasing supervision and security in areas where bullying most often occurs
5. Annually notifying district employees that, pursuant to Education Code 234.1, any school staff who witnesses an act of bullying against a student has a responsibility to immediately intervene to stop the incident when it is safe to do so

#### Student Instruction

Students are provided with instruction that promotes social-emotional learning, effective communication and conflict resolution skills, character development, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.

Students are educated about the negative impact of bullying, discrimination, intimidation, and harassment based on actual or perceived immigration status, religious beliefs and customs, or any other individual bias or prejudice.

To discourage cyberbullying, students are advised to be cautious about sharing passwords, personal data, or private photos online and consider the consequences of making negative comments about others online.

#### Reporting and Filing of Complaints

Any student, parent/guardian, or other individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee.

When the circumstances involve cyberbullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages that they feel constitute cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated. When a student uses a social networking site or service to bully or harass another student, the Superintendent or designee may file a request with the networking site or service to suspend the privileges of the student and to have the material removed.

#### Discipline/Corrective Actions

Corrective actions for a student who commits an act of bullying of any type may include counseling, behavioral intervention and education, and, if the behavior is severe or pervasive as defined in Education Code 48900, may include suspension or expulsion in accordance with District policies and regulations.

When appropriate based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

#### Support Services

The Superintendent, principal, or principal's designee may refer a victim, witness, perpetrator, or other student affected by an act of bullying to a school counselor, school psychologist, social worker, child welfare attendance personnel, school nurse, or other school support service personnel for case management, counseling, and/or participation in another program as appropriate. (EC 48900.9)

If any student involved in bullying exhibits warning signs of suicidal thought or intention or of intent to harm another person, Superintendent or designee, the site principal or principal's designee shall, as appropriate, implement District intervention protocols which may include, but are not limited to, referral to District or community mental health services, other health professionals, and/or law enforcement. (AR 5131.2).

Employees are required to complete mandated training regarding Recognition and Response of Bullying and CyberBullying annually.

#### **(F) School-wide Dress Code Relating to Gang-Related Apparel (EC 35183)**

The Governing Board believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to wear clothing that is suitable for the school activities in which they participate. Students shall not wear clothing that presents a health or safety hazard or causes a substantial disruption to the educational program.

The principal or designee is authorized to enforce this policy and shall inform any student who does not reasonably conform to the dress code. The dress code shall not be enforced in a manner that discriminates against a particular viewpoint or results in a disproportionate application of the dress code based on students' gender, sexual orientation, race, ethnicity, household income, or body type or size.

The principal, staff, and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a proposed dress code shall be presented to the Board, which shall approve the plan upon determining that it is necessary to protect the health and safety of the school environment. The dress code policy may be included in the school's comprehensive safety plan. (Education Code 35183)

When determining specific items of clothing that may be defined as gang apparel, the school shall ensure that the determination is free from bias based on race, ethnicity, national origin, immigration status, or other protected characteristics.

Board Policy 5132.1 requires students at K-8 schools to wear a specific uniform, as follows:

#### All Students:

Collared White/Blue/Black shirt or blouse (long or short sleeves)

Blue/Black/Khaki pants, shorts, or skirts

Uniform shirts must be worn under sweatshirts/jackets

If wearing ripped jeans, leggings must be worn underneath to conceal skin above the knee

Appropriate shoes

#### **Alondra Middle School**

The Governing Board is fully committed to maximizing school safety and to creating a positive learning environment that includes strategies for violence prevention and high expectations for student conduct, responsible behavior, and respect for others. (BP 0450).

Schools throughout Paramount Unified School District have positive and proactive schoolwide discipline plans. Data is used to inform decisions on developing and implementing effective behavior management and positive behavior support of all students (Safe & Civil Schools).

Alondra uses a leveled referral system. For level 1 and 2 referrals, teachers use their classroom management plan to determine interventions/consequences, along with making parent contact to discuss future expectations and possible consequences should the behavior continue. Level 3 referrals require immediate attention so both the student and the referral are sent to the office for administrative support.

Other means of correction will be implemented upon failure to comply with behavior expectations including, but not limited to, conflict resolution, restorative practices, counseling, parent conference, detention, suspension, expulsion recommendation (EC 48900 & 48915, BP 5144.1, AR 5144.1, AR 5144.2).

### **(C) School Suspension, Expulsion and Mandatory Expulsion Guidelines**

#### **H. Policies Regarding Suspension and/or Expulsion**

In accordance with Board Policy 5144.1 and Administrative Regulations 5144.1 & 5144.2, suspension shall be imposed only when other means of correction fail to bring about proper conduct. However, a student, including a student with previously identified exceptional needs, may be suspended from school for not more than five consecutive school days for any of the reasons in the Education Code Section 48900, upon first offense, if the principal determines the student has committed any of the acts enumerated in Education Code Section 48900 (a-q) or that the student's presence causes a danger to persons or property or threatens to disrupt the instructional process (Education Code 48900.5)

Prior to suspending a student, a school conference is held with the student and an administrator to discuss the student's offense except in cases when the student is not available. Parents are notified of the offense and the suspension in a timely manner after the decision is made to suspend the student.

Offenses that result in mandatory suspension and referral for expulsion with the principal having the ability to make an exception if appropriate include:

1. Caused serious physical injury to another person, except in self-defense.
2. Possessed any knife, explosive, or other dangerous object of no reasonable use to the student.
3. Unlawful possession of any controlled substance listed in Chapter 2 (Section 11053) of Division 10 of the Health and Safety Code, except for the first offense for the sale of not more than one avoirdupois ounce of marijuana other than concentrated cannabis.
4. Robbery or extortion
5. Assault or battery, as defined by Sections 240 and 242 of the Penal Code, on any school employee.

Offenses that result in mandatory suspension and referral for expulsion, with the principal having no ability to make an exception include:

1. Possession/selling/furnishing a firearm at school or at a school activity.
2. Brandishing a knife at another person.
3. Unlawfully selling a controlled substance listed in Chapter 2 (Section 11053 of Division 10 of the Health and Safety Code.)
4. Committing/attempting to commit a sexual assault/battery as defined in Education Code 48900 (n).

### **(D) Procedures to Notify Teachers of Dangerous Pupils (EC 49079)**

To fulfill the requirements made by Education Code 49079 and Welfare and Institutions Code 827 that state teachers must be notified of each student who has engaged in suspendable acts pursuant to Education Code 48900 (except subdivision h), 48900.2, 48900.3, 48900.4 or 48900.7. The information provided shall be from the previous three years. Paramount Unified School District has incorporated this notification into the student profile screen in the Synergy Student Information system. Teachers who would like additional information about the suspensions may review the student's discipline file in the school office. All information regarding suspension and expulsion is confidential and is not to be shared with any student(s) or parent(s). Teachers are asked to secure the list so students and others may not view it.

### **Response Procedures for Dangerous, Violent, or Unlawful Activity**

For specific details, refer to Paramount Unified School District Board Policy and Administrative Regulation 3515 Campus Security (Revised May 9, 2023), BP/AR 3515.2 Disruptions (Revised September 14, 2020), BP/AR 3516 Emergencies And Disaster Preparedness Plan (Revised September 14, 2020), AR 3516.2 Bomb Threats (Revised September 14, 2020), and BP/AR 5131.7 Weapons And Dangerous Instruments (Revised September 14, 2020).

### **(I) Hate Crime Reporting Procedures and Policies**

The Governing Board recognizes the harmful effects of bullying on student well-being, student learning, and school attendance and desires to provide a safe school environment that protects students from physical and emotional harm. No individual or group shall, through physical, written, verbal, visual, or other means, harass, sexually harass, threaten, intimidate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel, or retaliate against them for filing a complaint or participating in the complaint resolution process.

The following measures are implemented to prevent discrimination, harassment, intimidation, and bullying of students at District schools or in school activities and to ensure equal access of all students to the educational program :

1. Provide to employees, volunteers, and parents/guardians information regarding the District's nondiscrimination policy; what constitutes prohibited discrimination, harassment, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information includes guidelines for addressing issues related to transgender and gender-nonconforming students.
2. Provide to students a handbook that contains age-appropriate information that clearly describes the District's nondiscrimination policy, procedures for filing a complaint, and resources available to students who feel that they have been the victim of any such behavior.
3. Annually notify all students and parents/guardians of the district's nondiscrimination policy and of the opportunity to inform the school principal whenever a student's participation in a sex-segregated school program or activity together with another student of the opposite biological sex would be against the student's religious beliefs and/or practices or a violation of his/her right to privacy. In such a case, the principal shall meet with the student and/or parent/guardian to determine how best to accommodate the student.
4. Publicize the District's nondiscrimination policy and related complaint procedures to students, parents/guardians, employees, volunteers, and the general public and post them on the district's web site.
5. At the beginning of each school year, inform school employees that any employee who witnesses any act of discrimination, harassment, intimidation, or bullying against a student is required to intervene if it is safe to do so.

### **Process for Initiating and Responding to Complaints**

Any student who feels that he/she has been subjected to discrimination, harassment, intimidation, or bullying should immediately contact the principal, or any other staff member. In addition, any student who observes any such incident should report the incident to the principal whether or not the victim files a complaint.

Any school employee who observes an incident of discrimination, harassment, intimidation, or bullying or to whom such an incident is reported shall immediately report the incident to the principal whether or not the victim files a complaint.

Upon receiving a complaint of discrimination, harassment, intimidation, or bullying, the principal shall immediately investigate the complaint in accordance with the District's uniform complaint procedures specified in AR 1312.3 - Uniform Complaint Procedures. (BP 5145.3).

### **Safety Plan Review, Evaluation and Amendment Procedures**

The Comprehensive School Safety Plan was reviewed and approved by the School Site Council in a public meeting. Input was elicited regarding, but not limited to, school data, the school disaster & emergency plan, ingress and egress, and discipline policies. (BP 0450).

## **Incident Command Team Responsibilities**

### **Standardized Emergency Response Management System Overview**

The California Standardized Emergency Management System (SEMS) is designed to centralize and coordinate emergency response through the use of standardized terminology and processes. This greatly facilitates the flow of information and resources among the agencies participating in response to an emergency. SEMS consists of five functions:

#### **Incident Command Team Responsibilities**

The California Standardized Emergency Management System (SEMS) is designed to centralize and coordinate emergency response through the use of standardized terminology and processes. This greatly facilitates the flow of information and resources among the agencies participating in response to an emergency. SEMS consists of five functions:

#### **Management**

During an emergency, the Incident Commander directs response actions from a designated Command Post. To effectively do this, the Incident Commander must constantly assess the situation, and develop and implement appropriate strategies. The Incident Commander must be familiar with the available resources, accurately document all response actions, and effectively communicate response strategies to others participating in the response. This function is typically filled by the school principal. The principal is assisted in carrying out this function by a Public Information & Liaison Officer and Safety Officer.

#### **Planning & Intelligence**

Planning and Intelligence involves the use of various methods to efficiently gather information, weigh and document the information for significance, and actively assess the status of the emergency. This understanding and knowledge about the situation at hand is vital to the effective management of a response. These activities are performed by a single person who reports directly to the Incident Commander.

#### **Operations**

All response actions are implemented under by Operations. This includes staff performing first aid, crisis intervention, search and rescue, site security, damage assessment, evacuations, and the release of students.

#### **Logistics**

Logistics supports the response by coordinating personnel; assembling and deploying volunteers; providing supplies, equipment, and services; and facilitating communications among emergency responders.

#### **Finance & Administration**

Finance & Administration involves the purchasing of all necessary materials, tracking financial records, timekeeping for emergency responders, and recovering school records following an emergency. These activities are performed by a single person who reports directly to the Incident Commander.

## **(B) Disaster Procedures (EC 35295-35297; GC 8607 and 3100)**

### **Disaster Plan (See Appendix C-F)**

Alondra Middle School's (Alondra) Emergency Plan provides faculty, staff, parent volunteers and students with site-specific emergency instructions during an emergency crisis or disaster. The plan delineates responsibilities of all Alondra employees and is organized according to the Standardized Emergency Management System (SEMS). Alondra personnel designated to carry out specific emergency responsibilities are expected to understand the policies, procedures and system. Training and exercises are ongoing components of the plan.

The plan is reviewed and updated annually by the principal, staff, and district personnel. Drills and exercises are conducted annually. Copies of the plan and staff roles are distributed to Alondra employees, the district office, and other entities as appropriate.

There is always the possibility that an emergency or disaster may occur when classes are not in session or when Alondra is being used for extended before/after school activities. While the structure of the plan remains the same, the management system may expand or contract depending on the emergency and availability of personnel.

Alondra employees understand that the school's primary role in an emergency is to care for the safety and welfare of children for the duration of the emergency. Staff recognizes that the school site may be on its own (without outside resources) for up to 72 hours. Should an emergency/disaster occur during school hours, Alondra will shelter students who are not picked up by parents or authorized persons listed on the Emergency Information Card for up to 72 hours. This is district policy. There is also the possibility that the American Red Cross may use ALONDRA as a community shelter. Alondra will keep students in the safest location on the school campus until they can be safely reunited with their families. The principal will relocate students to an alternate site when required by law enforcement or when it is unsafe to remain on campus.

A disaster container with some emergency food, water, supplies, and equipment are located on campus. Contents are inventoried and replenished as necessary by the Safety and Security Department.

The principal and faculty will inform students about emergency procedures. All employees will make every effort to use appropriate procedures while providing students with direction and guidance, which emphasize their physical and psychological well-being.

Parents will be informed of the Alondra Emergency Plan annually. A copy of the Plan will remain in the administrative offices.

#### Plan Activation:

The principal or designee will activate the plan in an emergency or when a threat exists that may impact the safety and well-being of students, employees, and the community. When the plan is activated, employees will follow an Incident Command System (ICS) to ensure centralized direction and coordination. Under ICS, one person (the Incident Commander, ICO) is in charge at the school site. The principal or designee will serve as Incident Commander. Depending on the nature and scope of emergency, the Incident Commander may appoint section chiefs to oversee other functions (Planning, Operations, Logistics and Finance and Administration). If the situation warrants, the ICO can perform any or all five functions. The principal or designee will also be responsible for deactivating the plan.

#### District and other Agencies:

Alondra will communicate with the district by phone, email, short-wave radio, or runner. Emergency information, status reports, and resource requests will go directly to the Paramount Unified School District (PUSD) Assistant Superintendent of Business Services. Alondra may also contact the City of Paramount.

#### Alondra Internal Communications Protocol:

Alondra will utilize a variety of communication sources, including student messengers, walkie-talkies, landlines, cell phones, and the ParentSquare web-based communication system.

All district faculty and staff have received active shooter training called I Love You Guys.

All District school sites have implemented a Visitor Management System called, Raptor, to increase safety and security measures on campus. The Raptor Visitor Management school security system screens for sex offenders, alerts staff of custody violations, and provides districtwide reporting for all visitors.

All District school sites have a tactical response plan in place. Alondra will have one Automatic External Defibrillator (AED) on campus by the end of the school year.

Special consideration has been given to emergency procedures with regard to students with disabilities.

The District works collaboratively with local fire, police, sheriff, EMS and the City of Paramount to ensure the safety of staff and students. All fire alarm systems undergo a full system test annually.

For specific details, refer to Paramount Unified School District Board Policy and Administrative Regulations 3516 Emergencies and Disaster Preparedness Plan.

### **Adaptations for Students with Disabilities**

Alondra has four special education classes which consists of 43 students with moderate/severe needs. For students with mobility concerns, the instructional aides and/or teachers ensure the students' safety by assisting with pushing their wheelchair or guiding them to the designated assembly area near the blacktop.

### **Public Agency Use of School Buildings for Emergency Shelters**

In accordance with Education Code 32282, the District shall allow public agencies, including the American Red Cross, to use school buildings, grounds, and equipment for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare. The school district or county office of education shall cooperate with the public agency in furnishing and maintaining the services as the school district or county office of education may deem necessary to meet the needs of the community.

### **(J) Procedures to Prepare for Active Shooters**

## 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2024-25 Opportunities for Parental Involvement

Parents are encouraged to be a part of their child's education and are welcome to meet with staff members to improve the learning experiences for their child. Each year, the school surveys parents regarding the effectiveness of school programs and uses the parent responses to improve the educational program.

Parents may be actively involved in the school through the Parent Teacher Student Association (PTSA), by being elected a School Site Council (SSC) member and attending the School Site Council meetings or being elected to the English Advisory Committee (ELAC). The School Site Council and English Advisory Committees are parent groups that assist the principal and staff with the educational programs at the school. Parents are encouraged and welcomed to volunteer in their child's or children's classroom(s).

Parent involvement/education remains a priority during the 2024-2025 school year and provide ongoing communication to parents through ParentSquare.

Alondra's Administration, Counselors, and Social Worker provide information sessions and workshops throughout the school year. Our parent collaboration sessions cover a myriad of topics such as how to increase student achievement and student motivation. Teachers have offered specific parent workshops on how to assist students with math or how to augment reading comprehension.

## 2024-25 School Safety Plan

Alondra Middle School provides their staff and students with a clean, orderly, and safe environment which is a district-wide priority. Our school has been implementing the Safe & Civil Schools program for a number of years and most currently, we have provided training with Capturing Kids Hearts. The schools policies and protocols are reviewed with students and staff

## 2024-25 School Safety Plan

throughout the school year and updated as needed.

Our custodial staff consists of one lead custodian along with a rotating district evening team. The site has two full time Campus Security Personnel and eight part-time Campus Safety Aides that support with schoolwide supervision.

Faculty and students are provided training on emergency preparedness throughout the school year and emergency drills are held throughout the year. Fire drills are held once a month along with a district-wide earthquake drill (The Great Shakeout). Drills are conducted, so students and school personnel can become familiar with appropriate safety routes and learn to exhibit acceptable behavior in case of an emergency. In addition, lock down drills are held quarterly.

The school-wide disaster plan is updated yearly and was approved in February of 2024. In August of 2024, the plan was rewritten and reviewed by the Safety Committee. The new disaster plan was presented to the staff in August of 2024. The adaptations, modifications, additions, and deletions of the current site disaster plan were discussed along with approval of the site disaster plan.

Lastly, for the safety of students and staff, the front gate is locked at 8:30 a.m. All visitors must enter through the office. If visitors are on campus, they are required to check in with the office to verify their identity, and to obtain a visitor's badge.

## Informe de Responsabilidad Escolar para 2023-2024 (Publicado Durante el Ciclo Escolar 2024-2025)

### Información General sobre el Informe de Responsabilidad Escolar (SARC)

#### Sobre el SARC

La ley estatal requiere que cada escuela en el estado de California publique un informe de responsabilidad escolar (SARC, por sus siglas en inglés), para el 1 de febrero de cada año. El SARC contiene información sobre la condición y desempeño de cada escuela pública en California. Bajo la fórmula de financiamiento bajo control local (LCFF, por sus siglas en inglés) todas las agencias educativas locales (LEA, por sus siglas en inglés) son requeridas preparar un plan de responsabilidad bajo control local (LCAP, por sus siglas en inglés), que describe como intentan cumplir las metas anuales específicas a la escuela para todos los alumnos, con actividades específicas para abordar prioridades estatales y locales. Además, datos reportados en un LCAP debe ser consistente con los datos reportados en el SARC.

- Para mayores informes sobre los requisitos del SARC, favor de consultar la página web del SARC del Departamento de Educación de California (CDE, por sus siglas en inglés), en <https://www.cde.ca.gov/ta/ac/sa/>
- Para más información sobre el LCFF o LCAP, consulte el sitio web LCFF de CDE en <https://www.cde.ca.gov/fg/aa/lc/>
- Si los padres y el público general desean recibir información adicional sobre la escuela, pueden comunicarse con el director o la oficina del distrito.

Una copia física del Informe de Responsabilidad Escolar está disponible en su Oficina Escolar, bajo petición.

#### DataQuest

*DataQuest* es una herramienta en línea ubicada en el sitio web *DataQuest* de CDE en <https://dq.cde.ca.gov/dataquest/> que cuenta con información adicional sobre esta escuela y comparaciones de la escuela con el distrito, el condado, y el estado. Específicamente, *DataQuest* es un sistema dinámico que proporciona informes para contabilidad (p. ej., datos de pruebas, matriculación, egresados de escuela preparatoria, abandono escolar, matriculación en cursos, dotación, y datos relacionados a Estudiantes del Inglés).

#### Interfaz (Dashboard) Escolar de California

La Interfaz (*Dashboard*) Escolar de California <https://www.caschooldashboard.org/> refleja el nuevo sistema de contabilidad y continuo mejoramiento de California y proporciona información sobre como los LEA y las escuelas están cumpliendo las necesidades de la diversa población estudiantil de California. La Interfaz (*Dashboard*) cuenta con informes que exhiben el desempeño de los LEA, las escuelas y los grupos estudiantiles en un grupo de medidas estatales y locales para ayudar a identificar las fortalezas, desafíos y áreas necesitando mejoramiento.

<b>Acceso al Internet</b>	Acceso al Internet está disponible en bibliotecas públicas y otras ubicaciones que son accesibles al público (p.ej., la Biblioteca Estatal de California). Acceso al Internet en bibliotecas y otras ubicaciones públicas es generalmente proporcionado a base de orden de llegada. Otras restricciones de uso pueden incluir el horario de operación, el plazo de tiempo que se puede usar una estación de trabajo (dependiendo en disponibilidad), los tipos de programas informáticos disponibles en una estación de trabajo y la habilidad de poder imprimir documentos.
<b>Requisitos de Admisión a la Universidad de California (UC, por sus siglas en inglés)</b>	Requisitos de admisión para UC se adhieren a pautas establecidas en el Plan Maestro, que requiere que .8° superior de los alumnos graduados de escuela preparatoria del estado, así como aquellos alumnos que trasladan y han exitosamente completado especificado cursado universitario, sean elegible para admisión a UC. Estos requisitos son diseñados para garantizar que todos los alumnos elegibles estén adecuadamente preparados trabajo de nivel universitario. Para requisitos sobre admisión general, favor de visitar el sitio web de Información sobre Admisión UC en <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Requisitos de Admisión a la Universidad Estatal de California (CSU, por sus siglas en inglés)</b>	Elegibilidad para admisión a CSU es determinado por tres factores: (1) Cursos específicos de escuela preparatoria, (2) Calificaciones en cursos especificados y puntuaciones en pruebas y (3) Graduación de escuela preparatoria. Algunos planteles tienen estándares más exigentes para enfoques particulares o alumnos que viven fuera del área del plantel local. Debido a la cantidad de alumnos que solicitan, un par de planteles tiene estándares más exigentes (criterio suplementario para admisión) para todos los solicitantes. La mayoría de los planteles CSU cuentan con políticas que garantizan admisión local a los alumnos que se gradúan o trasladan de escuelas preparatorias y universidades que son históricamente brindadas servicios por un plantel CSU en esa región. Para información sobre admisión, solicitud y cuota, consulte el sitio web CSU en <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

### Prioridad Estatal: Rendimiento Estudiantil

El SARC proporciona la siguiente información relevante a la prioridad estatal de rendimiento estudiantil (Prioridad 4):

#### Evaluaciones a Nivel Estatal

(p. ej., Evaluación de Rendimiento Estudiantil y Progreso de California [CAASPP, por sus siglas en inglés], que incluye las Evaluaciones Sumativas *Smarter Balanced* para alumnos en población de educación general y las Evaluaciones Alternativas de California [CAA, por sus siglas en inglés] para artes lingüísticas del inglés [ELA, por sus siglas en inglés]/lectoescritura y matemáticas administradas en tercero a octavo y onceavo año. Solo alumnos elegibles pueden participar en la administración de las CAA. Material CAA cumple con las normas de rendimiento alternativo, las cuales están vinculadas con las Normas Básicas Comunes Estatales [CCSS, por sus siglas en inglés] para alumnos con discapacidades cognitivas significativas).

El Sistema CAASPP abarca las siguientes evaluaciones y requisitos de participación estudiantil:

1. **Evaluaciones Sumativas *Smarter Balanced* y Evaluaciones Alternativas de California (CAA, por sus siglas en inglés) para ELA** en tercero a octavo grado y onceavo grado.
2. **Evaluaciones Sumativas *Smarter Balanced* y Evaluaciones Alternativas de California (CAA, por sus siglas en inglés) para Matemáticas** en tercero a octavo grado y onceavo grado.
3. **Prueba de Ciencia de California (CAST, por sus siglas en inglés) Evaluaciones Alternativas de California (CAA, por sus siglas en inglés) para Ciencia** en quinto y octavo grado y al estar en la escuela preparatoria (es decir, décimo, onceavo o doceavo grado).

#### Preparación Universitaria y Vocacional

El porcentaje de alumnos que han exitosamente completado cursos que satisfacen los requisitos para ingreso a la Universidad de California y la Universidad Estatal de California o secuencias de educación de carrera técnica o programa de estudio.

## Porcentaje de Alumnos Cumpliendo o Superando la Norma Estatal para CAASPP

Esta tabla exhibe los resultados de la prueba CAASPP para ELA y matemáticas para todos los alumnos de tercero a octavo y onceavo grado tomando y completando una evaluación administrada por el estado.

Porcentaje no son calculados cuando la cantidad de alumnos realizando la prueba es diez o menos, ya sea porque la cantidad de alumnos en esta categoría es demasiado chica para precisión estadística o para proteger privacidad estudiantil.

Los resultados de prueba ELA y matemática incluyen la Evaluación Sumativa *Smarter Balanced* y la CAA. El "Porcentaje Cumpliendo o Superando" es calculado al tomar la cantidad total de alumnos que cumplieron o superaron la norma en la Evaluación Sumativa *Smarter Balanced* sumando la cantidad total de alumnos que cumplieron la norma (es decir, logró Nivel 3-Alternativo) en CAA dividido por la cantidad total de alumnos que participaron en ambas evaluaciones.

## Resultados de la Prueba CAASPP para ELA por Grupo Estudiantil para 2023-24

Esta tabla exhibe los resultados de la prueba CAASPP para ELA por grupo estudiantil para alumnos de tercero a octavo y onceavo grado tomando y completando una evaluación administradas por el estado.

Los resultados de prueba ELA y matemática incluyen la Evaluación Sumativa *Smarter Balanced* y la CAA. El "Porcentaje Cumpliendo o Superando" es calculado al tomar la cantidad total de alumnos que cumplieron o superaron la norma en la Evaluación Sumativa *Smarter Balanced* sumando la cantidad total de alumnos que cumplieron la norma (es decir, logró Nivel 3-Alternativo) en CAA dividido por la cantidad total de alumnos que participaron en ambas evaluaciones.

Doble rayas (--) aparecen en la tabla cuando la cantidad de alumnos es diez o menos, ya sea porque la cantidad de alumnos en esta categoría es demasiada chica para precisión estadística o para proteger la privacidad estudiantil.

La cantidad de alumnos que realizaron las pruebas incluye todos los alumnos que participaron en la prueba sin importar que hayan recibido una puntuación o no; sin embargo, la cantidad de alumnos que realizaron las pruebas no es la cifra que fue utilizada para calcular los porcentajes del nivel de logro. Los porcentajes del nivel de logro son calculados usando solo alumnos que recibieron puntuaciones.

## Resultados de la Prueba CAASPP para Matemáticas por Grupo Estudiantil para 2023-24

Esta tabla exhibe los resultados de la prueba CAASPP para ELA por grupo estudiantil para alumnos de tercero a octavo y onceavo grado tomando y completando una evaluación administradas por el estado.

Los resultados de prueba ELA y matemática incluyen la Evaluación Sumativa *Smarter Balanced* y la CAA. El "Porcentaje Cumpliendo o Superando" es calculado al tomar la cantidad total de alumnos que cumplieron o superaron la norma en la Evaluación Sumativa *Smarter Balanced* sumando la cantidad total de alumnos que cumplieron la norma (es decir, logró Nivel 3-Alternativo) en CAA dividido por la cantidad total de alumnos que participaron en ambas evaluaciones.

Doble rayas (--) aparecen en la tabla cuando la cantidad de alumnos es diez o menos, ya sea porque la cantidad de alumnos en esta categoría es demasiada chica para precisión estadística o para proteger la privacidad estudiantil.

La cantidad de alumnos que realizaron las pruebas incluye todos los alumnos que participaron en la prueba sin importar que hayan recibido una puntuación o no; sin embargo, la cantidad de alumnos que realizaron las pruebas no es la cifra que fue utilizada para calcular los porcentajes del nivel de logro. Los porcentajes del nivel de logro son calculados usando solo alumnos que recibieron puntuaciones.

### Prioridad Estatal: Participación Parental

El SARC proporciona la siguiente información relevante a la prioridad estatal: Participación Parental (Prioridad 3): Esfuerzos que hace el distrito escolar para solicitar el aporte parental en toma de decisiones relacionadas al distrito escolar y en cada sitio escolar.

#### Oportunidades para Participación Parental del 2024-25

Se alienta a los padres a formar parte de la educación de sus hijos y a reunirse con miembros del personal para mejorar las experiencias de aprendizaje de sus alumnos. Cada año, la escuela encuesta a los padres para conocer su opinión sobre la eficacia de los programas escolares y se usan las respuestas de los padres para mejorar el programa educativo.

Los padres pueden participar activamente en la escuela a través de la Asociación de Padres, Maestros y Alumnos (PTSA, por sus siglas en inglés), al ser elegidos miembros del Consejo Escolar (SSC, por sus siglas en inglés) y asistir a sus reuniones, o al ser elegidos para el Comité Asesor del Idioma Inglés (ELAC, por sus siglas en inglés). El Consejo Escolar y los Comités Asesores del Idioma Inglés son grupos de padres que ayudan al director y al personal con los programas educativos de la escuela. Se alienta a los padres a dar de su tiempo en el salón de clases de sus hijos.

La participación/educación de los padres sigue siendo una prioridad durante el ciclo escolar 2024-2025 y ofrece una comunicación continua con los padres a través de ParentSquare.

La administración, los orientadores académicos y el trabajador social de Alondra ofrecen sesiones de información y talleres a lo largo del ciclo escolar. Nuestras sesiones de colaboración para padres abarcan muchísimos temas, por ejemplo, cómo aumentar el logro estudiantil y la motivación de los alumnos. Los maestros han ofrecido talleres específicos para los padres sobre cómo ayudar a sus hijos con las matemáticas o cómo mejorar la comprensión lectora.

## Plan de Seguridad Escolar para 2024-25

La Escuela Secundaria Alondra ofrece a su personal y alumnos un ambiente limpio, ordenado y seguro, lo cual es una prioridad para todo el distrito. Nuestra escuela ha estado implementando el programa Escuelas Cívicas y Seguras durante varios años y, actualmente, hemos impartido una capacitación con "Capturing Kids Hearts" ("Capturando los Corazones de los Niños"). Las políticas y protocolos escolares son repasados con los alumnos y el personal a lo largo del ciclo escolar y actualizados según sea necesario.

## Plan de Seguridad Escolar para 2024-25

Nuestro personal de orientación consta de un conserje principal junto con un equipo de conserjes de tarde rotativo del distrito. El sitio cuenta con dos empleados de seguridad de planteles de tiempo completo y ocho asistentes de seguridad de planteles a tiempo parcial que brindan soporte con la supervisión a nivel escolar.

El personal docente y los alumnos reciben una capacitación sobre preparación ante emergencias a lo largo de todo el año escolar y se hacen simulacros de emergencia también durante todo el año. Los simulacros de incendios son una vez al mes junto con un simulacro de terremoto a nivel de todo el distrito ("The Great Shakeout"). Se hacen simulacros para que los alumnos y el personal escolar puedan familiarizarse con las rutas de seguridad apropiadas y aprendan a exhibir un comportamiento aceptable en caso de una emergencia. Además, cada trimestre se hacen simulacros de encierro.

El plan a nivel escolar en caso de desastres se actualiza anualmente y se aprobó en febrero de 2024. En agosto de 2024, el Comité de Seguridad volvió a redactar y analizar el plan. El nuevo plan en caso de desastres se presentó al personal en agosto de 2024. Las adaptaciones, modificaciones, agregados y supresiones del plan actual en caso de desastres del sitio se analizaron junto con la aprobación del plan del sitio.

Por último, por la seguridad de los alumnos y del personal, la puerta principal se cierra a las 8:30 a. m. Todos los visitantes deben ingresar por la oficina. Si hay visitantes en el plantel, deben ponerse en contacto con la dirección para verificar su identidad y obtener una tarjeta de identificación de visitante.

## School Plan for Student Achievement (SPSA)

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Alondra Middle School	19-64873	December 4, 2024	December 17, 2024

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp), and for federal Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements for both the SPSA and federal ATSI planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

This plan is being used by Alondra Middle School for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

Schoolwide Program

This template is based on the December, 2023 CDE revision of the School Plan for Student Achievement. Some modifications have been made to inform the SPSA development process.

# Plan Description

Briefly describe your school's plan for effectively meeting ESSA's planning requirements in alignment with the Local Control and Accountability Plan (LCAP) and other federal, state, and local programs.

This plan is being used by Alondra Middle School for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

## Schoolwide Program

Alondra's school plan aligns with the district's Local Control Accountability Plan (LCAP) as each goal (and its associated strategies/activities) can be referenced to the LCAP's intent. The plan is designed to close the achievement gap.

Goal 1: Elevate deeper learning and college, career, and life readiness

Goal 2: Implement Comprehensive Professional Learning, Leading to Effective Change

Goal 3: Cultivate a Nurturing and Emotionally Safe Environment to Strengthen Well-Being, Belonging, and a Sense of Safety: Create Positive School Climate and Environments Conducive to Learning (Chronic Absenteeism and Suspension)

Goal 4: Enhance Family and Community Engagement: Develop Parent and Community Partnerships

Goal 5: Build an Inclusive and Equitable School District:

Additional interventions are needed to assist with closing the achievement gap and ensure that students are improving academically in ELA/ELD and math. Additional interventions will be offered to support students to close the achievement gap. Resources need to be allocated to fund additional support from the sites RSP teachers, Language Assessment Assistant and Instructional Assistants which is needed within the classroom to support students.

The school's attendance plan will focus on supporting chronically absent students that are struggling with attending school and provide schoolwide incentives to recognize students that are attending consistently. All students will be supported within this plan to decrease chronic absences. Resources need to be allocated to address chronic absenteeism and decrease suspensions including student incentives and celebrations.

Additional personnel support is needed to with supervision to ensure a safe and civil school. Resources need to be allocated to provide additional supervision support by our Noon Duty Aides. Also, additional schoolwide behavior support, incentives and celebrations are needed to support students with academic success and deter inappropriate behaviors. Our ATSI focus groups (African American students) will be supported within this plan. Resources will be allocated to support schoolwide incentives and celebrations.

## Educational Partner Involvement

How, when, and with whom did Alondra Middle School consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

Alondra Middle School developed a one-year (2024-2025) school plan which aligned to the district's goals and incorporated strategies specific to the school site. Throughout the 2023-2024 school year and the 2024-2025 school year, the Instructional Leadership Team, the School Site Council, the English Learner Acquisition Committee, staff and parents reviewed the needs and progress of the school. Student achievement data, student attendance data, and surveys were reviewed as part of the school needs assessment process.

Stakeholder input is continuously sought at Instructional Leadership Team meetings, School Site Council meetings, English Learner Advisory Council (ELAC) meetings, and parent workshops.

A review was also conducted with Alondra staff including teachers and support staff. The team discussed achievement data, uncovered needs, identified goals and actions to focus on for the rest of the year. The proposed schoolwide goals were reviewed.

On August 8th, the staff was updated the 2024 CAASSP results and on August 13h the staff reviewed the 3rd i-Ready diagnostic data was analyzed and used to identify goals.

On September 6th, 2024, the Site Leadership Team reviewed the 2024 CAASSP results and discussed strategies to improve student academics. There is a need to continue schoolwide focus on college and career awareness, implementing WICOR strategies which support the school wide SPSA goal in ELA and math, and continue promoting positive school culture.

As a result of the stakeholder involvement and data reviews, Alondra has been able to complete a comprehensive needs assessment. The findings of this needs assessment demonstrated the need to improve student achievement for all students in the areas of language arts and mathematics, and to continue focusing on school climate to increase school connectedness and reduce chronic absenteeism.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable. This section is required for all schools eligible for ATSI and CSI.

Alondra's school plan aligns with the district's Local Control Accountability Plan (LCAP) as each goal (and its associated strategies/activities) can be referenced to the LCAP's intent. The plan is designed to close the achievement gap.

Goal 1: Elevate deeper learning and college, career, and life readiness

Goal 2: Implement Comprehensive Professional Learning, Leading to Effective Change

Goal 3: Cultivate a Nurturing and Emotionally Safe Environment to Strengthen Well-Being, Belonging, and a Sense of Safety: Create Positive School Climate and Environments Conducive to Learning (Chronic Absenteeism and Suspension)

Goal 4: Enhance Family and Community Engagement: Develop Parent and Community Partnerships

Goal 5: Build an Inclusive and Equitable School District:

Additional interventions are needed to assist with closing the achievement gap and ensure that students are improving academically in ELA/ELD and math. Additional interventions will be offered to support students including Resources need to be allocated to fund additional support from the sites RSP teachers, Language Assessment Assistant and Instructional Assistants which is needed within the classroom to support students.

The school's attendance plan needs to be revised to support chronically absent students that are struggling with attending school and provide schoolwide incentives to recognize students that are attending consistently. Our focus will be supported within this plan to decrease chronic absences. Resources need to be allocated to address chronic absenteeism and decrease suspensions including student incentives and celebrations.

Additional personnel support is needed to with supervision to ensure a safe and civil school. Resources need to be allocated to provide additional supervision support by our Noon Duty Aides. Also, additional schoolwide behavior support, incentives and celebrations are needed to support students with academic success and deter inappropriate behaviors. Our students will be supported within this plan. Resources will be allocated to support schoolwide incentives and celebrations.

## Comprehensive Needs Assessment Components

Identify and describe any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

### California School Dashboard (Dashboard) Indicators

Referring to the California School Dashboard (Dashboard), any state indicator for which overall performance was in the "Red" or "Orange" performance category.

Academic Engagements: Chronic Absenteeism

Orange: 31.8% of the 107 Students with Disabilities are chronically absent.

There was a 9.8% decrease this year. The school's attendance plan needs to be revised to support chronically absent students that are struggling with attending school and provide schoolwide incentives to recognize students that are attending consistently. Our students will supported within this plan to decrease chronic absences. Resources need to be allocated to address chronic absenteeism and decrease suspensions including student incentives and celebrations.

Conditions and Climate: Suspension rate

Orange: 7% of the 831 students were suspended at least one day. This was a 2.3 increase from the previous year,

Orange: 7.1% of the 788 Socially Disadvantaged students were suspended at least one day. This was a 2.6 increase from the previous year.

Orange: 4.6% of 109 Students with Disabilities were suspended at least one day. This was a 3 increase from the previous year.

Orange: 6.6% of 753 Hispanic students were suspended at least one day. This was a 2.7 increase from the previous year..

Red: 9.6% of the 208 English Learners were suspended at least one day. This was a 6.2 increase from the previous year.

Additional personnel support is needed to with supervision to ensure a safe and civil school. Resources need to be allocated to provide additional supervision support by our Noon Duty Aides. Also, additional schoolwide behavior support, incentives and celebrations are needed to support students with academic success and deter inappropriate behaviors. Resources will be allocated to support schoolwide incentives and celebrations.

Referring to the California School Dashboard (Dashboard), any state indicator for which performance for any student group was two or more performance levels below the “all student” performance.

## Other Needs

In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

## CAASPP Results English Language Arts/Literacy (All Students)

The Smarter Balanced Summative Assessments for ELA and mathematics are an annual measure of what students know and can do using the Common Core State Standards for English language arts/literacy and mathematics.

The purpose of the Smarter Balanced Summative Assessments is to assess student knowledge and skills for English language arts/literacy (ELA) and mathematics, as well as how much students have improved since the previous year. These measures help identify and address gaps in knowledge or skills early so students get the support they need for success in higher grades and for college and career readiness.

All students in grades three through eight and grade eleven take the Smarter Balanced Summative Assessments unless a student's active individualized education program (IEP) designates the California Alternate Assessments.

Visit the California Department of Education's [Smarter Balanced Assessment System](#) web page for more information.

## California School Dashboard Student Population

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

This section provides information about the school's student population.

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp) pursuant to California *Education Code (EC)* Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with *EC* 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below.

## Plan Description

Briefly describe the school's plan to effectively meet the ESSA requirements in alignment with the LCAP and other federal, state, and local programs.

### **Additional CSI Planning Requirements:**

Schools eligible for CSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal CSI planning requirements.

### **Additional ATSI Planning Requirements:**

Schools eligible for ATSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal ATSI planning requirements.

## Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Within California, these stakeholders are referred to as educational partners. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Educational Partner Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

### **Additional CSI Planning Requirements:**

When completing this section for CSI, the LEA must partner with the school and its educational partners in the development and implementation of this plan.

### **Additional ATSI Planning Requirements:**

This section meets the requirements for ATSI.

## Resource Inequities

This section is required for all schools eligible for ATSI and CSI.

**Additional CSI Planning Requirements:**

- Schools eligible for CSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the CSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

**Additional ATSI Planning Requirements:**

- Schools eligible for ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the ATSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

## **Comprehensive Needs Assessment**

Referring to the California School Dashboard (Dashboard), identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

**SWP Planning Requirements:**

When completing this section for SWP, the school shall describe the steps it is planning to take to address these areas of low performance and performance gaps to improve student outcomes.

Completing this section fully addresses all SWP relevant federal planning requirements.

**CSI Planning Requirements:**

When completing this section for CSI, the LEA shall describe the steps the LEA will take to address the areas of low performance, low graduation rate, and/or performance gaps for the school to improve student outcomes.

Completing this section fully addresses all relevant federal planning requirements for CSI.

**ATSI Planning Requirements:**

Completing this section fully addresses all relevant federal planning requirements for ATSI.

## **Goals, Strategies/Activities, and Expenditures**

In this section, a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

**Additional CSI Planning Requirements:**

When completing this section to meet federal planning requirements for CSI, improvement goals must also align with the goals, actions, and services in the LEA’s LCAP.

**Additional ATSI Planning Requirements:**

When completing this section to meet federal planning requirements for ATSI, improvement goals must also align with the goals, actions, and services in the LEA's LCAP.

**Goal**

Well-developed goals will clearly communicate to educational partners what the school plans to accomplish, what the school plans to do in order to accomplish the goal, and how the school will know when it has accomplished the goal. A goal should be specific enough to be measurable in either quantitative or qualitative terms. Schools should assess the performance of their student groups when developing goals and the related strategies/activities to achieve such goals. SPSA goals should align to the goals and actions in the LEA's LCAP.

A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach.

A S.M.A.R.T. goal is:

- **Specific,**
- **Measurable,**
- **Achievable,**
- **Realistic, and**
- **Time-bound.**

A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the "Goal #" for ease of reference.

**Additional CSI Planning Requirements:**

Completing this section as described above fully addresses all relevant federal CSI planning requirements.

**Additional ATSI Planning Requirements:**

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

**Identified Need**

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the Dashboard and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

**Additional CSI Planning Requirements:**

Completing this section as described above fully addresses all relevant federal CSI planning requirements.

**Additional ATSI Planning Requirements:**

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

**Annual Measurable Outcomes**

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the

baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

**Additional CSI Planning Requirements:**

When completing this section for CSI, the school must include school-level metrics related to the metrics that led to the school's eligibility for CSI.

**Additional ATSI Planning Requirements:**

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

## Strategies/Activities Table

Describe the strategies and activities being provided to meet the goal.

Complete the table as follows:

- Strategy/Activity #: Number the strategy/activity using the "Strategy/Activity #" for ease of reference.
- Description: Describe the strategy/activity.
- Students to be Served: Identify in the Strategy/Activity Table either All Students or one or more specific student groups that will benefit from the strategies and activities. ESSA Section 1111(c)(2) requires the schoolwide plan to identify either "All Students" or one or more specific student groups, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners.
- Proposed Expenditures: List the amount(s) for the proposed expenditures. Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to EC Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.
- Funding Sources: List the funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Planned strategies/activities address the findings of the comprehensive needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.

**Additional CSI Planning Requirements:**

- When completing this section for CSI, this plan must include evidence-based interventions and align to the goals, actions, and services in the LEA's LCAP.
- When completing this section for CSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.

Note: Federal school improvement funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.

**Additional ATSI Planning Requirements:**

**Note:** Federal school improvement funds for CSI shall not be used in schools identified for ATSI. Schools eligible for ATSI do not receive funding but are required to include evidence-based interventions and align with the goals, actions, and services in the LEA's LCAP.

## Annual Review

In the following Goal Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Goal Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal.

In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

**Note:** *CSI funds may not be expended at or on behalf of schools not eligible for CSI.*

**Additional ATSI Planning Requirements:**

**Note:** *Federal funds for CSI shall not be used in schools eligible for ATSI.*

## **Budget Summary Table**

A school receiving funds allocated through the ConApp should complete the Budget Summary Table as follows:

- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving funds from its LEA for CSI should complete the Budget Summary Table as follows:

- **Total Federal Funds Provided to the School from the LEA for CSI:** This amount is the total amount of funding provided to the school from the LEA for the purpose of developing and implementing the CSI plan for the school year set forth in the CSI LEA Application for which funds were received.

## Comprehensive Support and Improvement

The LEA shall partner with educational partners (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*);
2. Include evidence-based interventions (*Sections: Strategies/Activities, Annual Review and Update, as applicable*) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/fund/grant/about/discretionary/2023-non-regulatory-guidance-evidence.pdf>);

Non-Regulatory Guidance: Using Evidence to Strengthen Education Investments

3. Be based on a school-level needs assessment (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable*).

## Single School Districts and Charter Schools Eligible for ESSA School Improvement

Single school districts (SSDs) or charter schools that are eligible for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (*EC Section 64001[a]* as amended by Assembly Bill 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the LCAP and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (*EC Section 52062[a]* as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

## School Plan for Student Achievement (SPSA)

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Alondra Middle School	19-64873	December 4, 2024	December 17, 2024

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp), and for federal Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements for both the SPSA and federal ATSI planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

This plan is being used by Alondra Middle School for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

Schoolwide Program

This template is based on the December, 2023 CDE revision of the School Plan for Student Achievement. Some modifications have been made to inform the SPSA development process.
