## Next Steps K-8

### Language Arts

- Professional development focuses on English Learners and deepening comprehension—provided on site, customized to each school's needs.
- AVID Excel, a new course for English Learners, that emphasizes reading and discussion, implemented at all middle school sites.
- K-5 Foundational Reading Skills are assessed and monitored (trimesters).

### Math

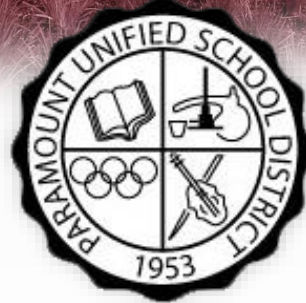

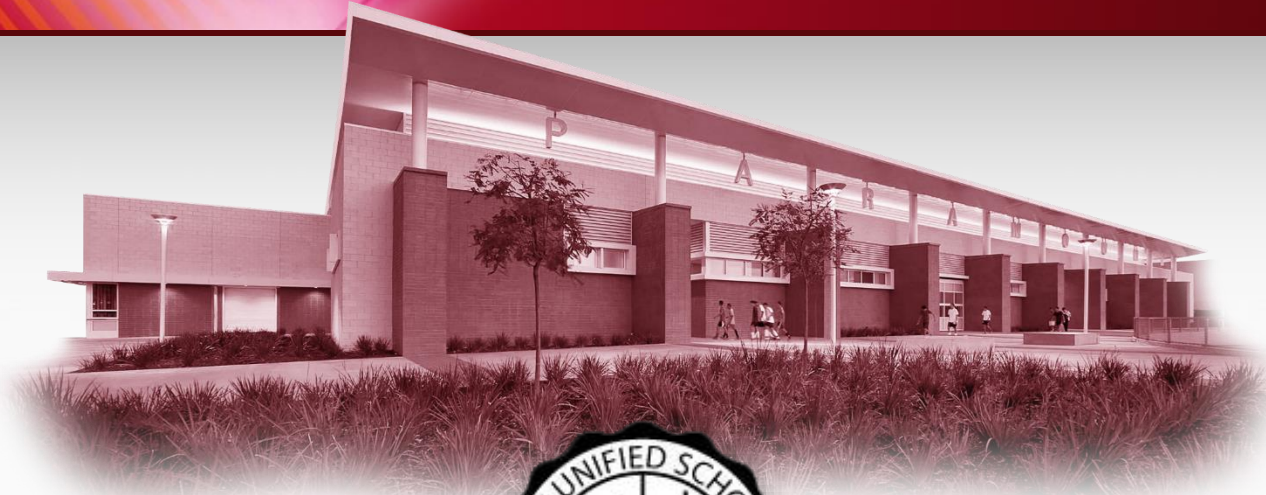

- Professional development on CGI and Lesson Study: approaches that promote problem solving and relational thinking about math.
- Professional development includes time for teachers to understand what students learned/didn't learn by analyzing student work products.

## Next Steps 9-12

- Instructional Support
  - ELA: Center for Educational Leadership
  - Math: Teacher's Development Group
  - ELD: New course sequences and instructional model
- SBAC Interim Assessments
