

Paramount Unified School District
COVID-19 Dashboard
2021-22
9-14-21

Paramount Unified School District is committed to providing a safe school environment. Our District has put in place COVID-19 mitigation strategies and safety protocols to minimize the spread of COVID-19 within our schools. As a tool to keep all stakeholders informed, below is Paramount Unified School District's COVID-19 dashboard indicating current COVID cases by location.
