PLEASE TAKE NOTICE that at the regularly scheduled meeting of the Paramount Unified School District Board of Education on June 11, 2024, beginning at 6:30 PM at the District Office, 15110 California Ave. Paramount, CA 90723, the Board of Education will conduct a hearing to consider the adoption of Resolution addressing the electrical utility cost savings the District will realize by the construction and operation of energy conservation facilities by an Energy Services Agreement, as defined and described in Government Code §4217.10 et seq at the following District campuses and facilities:

Buena Vista High School	Maintenance, Operations & Transportation (MOT)
Collins Elementary School	Paramount High School Senior
District Office	Paramount High School West
Jackson School	Wirtz Elementary School
Jefferson Elementary School	Zamboni Middle School
Los Cerritos Elementary School	

The energy conservation facilities under consideration are solar photovoltaic systems to generate electrical power at the Sites (“Solar Project”). The Board of Education approval of the Solar Project shall be based upon a finding that the anticipated cost to the public agency for thermal or electrical energy or conservation services provided by the energy conservation facility under the contract will be less than the anticipated marginal cost to the public agency of thermal, electrical, or other energy that would have been consumed by the public agency in the absence of those purchases.

Public comment will be accepted during the public hearing.

TENGA EN CUENTA que en la reunión programada regularmente de la Junta de Educación del Distrito Escolar Unificado de Paramount el 11 de junio de 2024, a partir de las 6:30 p. m. en la Oficina del Distrito, 15110 California Ave. Paramount, CA 90723, la Junta de Educación llevará a cabo una audiencia para considerar la adopción de Resolución que abordan los ahorros en los costos de servicios eléctricos que el Distrito obtendrá mediante la construcción y operación de instalaciones de conservación de energía mediante un Acuerdo de Servicios de Energía, como se define y describe en el Código de Gobierno §4217.10 et seq en los siguientes campus del Distrito y instalaciones:

Buena Vista High School	Maintenance, Operations & Transportation (MOT)

Se aceptarán comentarios públicos durante la audiencia pública.
