

Options for the Biological Science Requirement

- Biology

Options for the Physical Science Requirement

- Chemistry
- Honors Chemistry
- AP Chemistry
- Physics
- AP Physics

Additional Options for the Year-3 Requirement

- AP Biology
- AP Environmental Science
- Physiology

Additional Science Requirements for CTE Pathways* (complete all)

- None

Options for the Biological Science Requirement

- Biology
- Honors PLTW Principles of Biomedical Science*

Options for the Physical Science Requirement

- Chemistry
- Honors Chemistry
- AP Chemistry

Additional Options for the Year-3 Requirement

- Honors PLTW Human Body Systems*

Additional Science Requirements for CTE Pathways* (complete all)

- Honors PLTW Medical Interventions*
- Honors PLTW Biomedical Innovation*

Options for the Biological Science Requirement

- Biology
- Honors PLTW Principles of Biomedical Science*

Options for the Physical Science Requirement

- Chemistry
- Honors Chemistry
- AP Chemistry

Additional Options for the Year-3 Requirement

- AP Biology
- Physiology

Additional Science Requirements for CTE Pathways* (complete all)

- None

PHS WEST & SENIOR

FOOD SERVICES & HOSPITALITY

Options for the Biological Science Requirement

- Biology

Options for the Physical Science Requirement

- Chemistry
- Honors Chemistry
- AP Chemistry
- Physics
- AP Physics

Additional Options for the Year-3 Requirement

- AP Biology
- AP Environmental Science
- Physiology

Additional Science Requirements for CTE Pathways* (complete all)

- None

INFORMATION & COMMUNICATION TECHNOLOGIES

Options for the Biological Science Requirement

- Biology

Options for the Physical Science Requirement

- Chemistry
- Honors Chemistry
- AP Chemistry
- Physics
- AP Physics

Additional Options for the Year-3 Requirement

- PLTW Computer Science Essentials*

Additional Science Requirements for CTE Pathways* (complete all)

- Honors PLTW Cybersecurity*
- Computer Science Principles*

ARCHITECTURAL DESIGN

Options for the Biological Science Requirement

- Biology
- Honors PLTW Principles of Biomedical Science*

Options for the Physical Science Requirement

- Chemistry
- Honors Chemistry
- AP Chemistry

Additional Options for the Year-3 Requirement

- AP Biology
- Physiology

Additional Science Requirements for CTE Pathways* (complete all)

- None

ENGINEERING DESIGN

Options for the Biological Science Requirement

- Biology

Options for the Physical Science Requirement

- Physics
- AP Physics

Additional Options for the Year-3 Requirement

- Honors PLTW Introduction to Engineering Design*

Additional Science Requirements for CTE Pathways* (complete all)

- Honors PLTW Principles of Engineering*
- Honors PLTW Computer Integrated Manufacturing*
- Honors PLTW Engineering Design and Development*
